INFORMATION DISCLOSURE STATEMENT

Sir:

Attached hereto is a copy of a Korean Official Action dated January 30, 2004, along with an English translation thereof, Form PTO-1449, and copies of the two cited references listed therein.

Korean Patent No. 2000-58978 is in a foreign language. However, a concise explanation is not required because this non-English citation was cited in an Official Action by a foreign patent office. In such a situation, the requirement for a concise explanation of relevance is satisfied by submitting an English language version of the Official Action. Such English language version of the Office Action is enclosed herewith. (See MPEP, Section 609A(3), pages 600-100 and 600-101, Rev. 1, Feb. 2000). Accordingly, a concise explanation relating to this non-English citation is not required.

Each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign Patent Office in a counterpart foreign application not more than three months prior to the filing date of this Information Disclosure Statement. Thus this Information Disclosure Statement is being filed within three months of the date January 30, 2004 of the Korean Office Action in the counterpart foreign application. Accordingly, even though the first Official Action issued, there is no charge for filing this IDS as provided in 37 CFR 1.97(c).

Respectfully submitted,

Jordan and Hamburg LLP
